Dear Eileen,

The St. Louis Pastoral Council wishes to express its deepest thanks and gratitude for your faithful service and steadfast commitment to the St. Louis School and Parish.

You have taught students at St. Louis School for 24 years. You are a woman of deep faith, genuine integrity, and exceptional wisdom. Your goodness, natural intelligence, and dedication to your ministry of teaching, have been a great gift to the St. Louis School community and gained you the respect and love of students, co-workers, and parents. You were the quiet leader, always ready with a listening heart, a word of reason, or a suggestion for community-building fun. For the school administration, your logic and technological skills provided a resolution for everything from dismissal traffic patterns to scheduling nightmares, while your competence in the field of education was an invaluable resource for academic planning and curriculum development.

You truly know how to live as a disciple of Jesus Christ. Eileen, you are a woman of deep faith and tireless compassion and have a multitude of God-given gifts that you have generously used for the welfare of others. Above and beyond all else, you are a humble reminder of God's love in the world and a true model of discipleship for the St. Louis community.

“There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; Some people God has designated in the church to be, first, apostles; second, prophets; third, teachers; then, mighty deeds; then, gifts of healing, assistance, administration, and varieties of tongues.”

(1 Corinthians 12:4-5, 28)

Again, we thank you for all that you have done for St. Louis over the years. Your faith has been passed along to future generations. We wish God's continued blessings on you and those whom you love. You are sorely missed.

With sincerest appreciation
St. Louis Pastoral Council
