

St. Louis School
National Blue Ribbon School of Excellence
2010

"Where Spirit and Mind Rejoice!"

The St. Louis Pastoral Council
wishes to congratulate St. Louis School
for being named a 2010 National Blue Ribbon
School of Excellence.

We are proud that the school's academic program includes accelerated and specialty area classes that incorporate technology along with an array of extra-curricular activities. The school also continues to focus on the development of the whole child, encouraging students to become successful learners and persons of faith and integrity.

A strong tradition of service to others has been central to life at St. Louis School for the past eighty-seven years. We are blessed that highly qualified and committed faculty and staff challenge students and engage them in active learning. St. Louis families are also an integral part of the success of the school.

May God continue to bless St. Louis School for years to come.

April 2011
